FROM THE NORTH POLE

A Letter from the North Pole

TOP SECRET

Dear Christmas Helper,

Ho-ho-hello! My name is **Pip**, and I am one of Santa's elves at the North Pole. I have BIG news...

Santa's sleigh doesn't fly on fuel. It flies on **Christmas Spirit!** This year the Spirit Meter is running very low, and Santa needs a special helper. That's **YOU!**

Inside this book are **12 secret missions**. Do each one with someone you love, take a photo, and stick it on the page. Every mission you finish lights up one star on the Spirit Meter.

Fill all 12 stars before Christmas Eve, and Santa's sleigh will fly brighter than ever!

With jingle-bell hugs,
Pip the Elf

P.S. Your first clue is waiting on the next page...

candy canes lined in a row.
Count the colors, one, two, three...
which house is the best? You decide with me!
